

IRRADIATION COMMENT FORM

attention FDA: keep irradiation labeling!

Re: Docket # 98N 1038,
"Irradiation in the
Production, Processing,
and Handling of Food"

0146 '99

TREATED WITH
IRRADIATION
JUL 18 '99

Irradiation is a crazy
idea filled with medical
dangers as well as environmental
ones. Let's just stop trying to
make radioactive bottles -
it isn't, ~~it~~ except in a few medical
research & treatment areas.
Please stop this.
